DAY-6

Activity - Diya Making

Diwali is the festival of lights. It celebrates the triumph of good over evil and light over darkness. This festival of lights is celebrated all over India with enthusiasm. Houses, shops, malls, market place are all lit up with colourful lights but the most traditional, eco-friendly way being lighting lamps made of clay/mud using oil and cotton strings. This mud Diya's can be decorated colourfully to make them more colourful and festive.

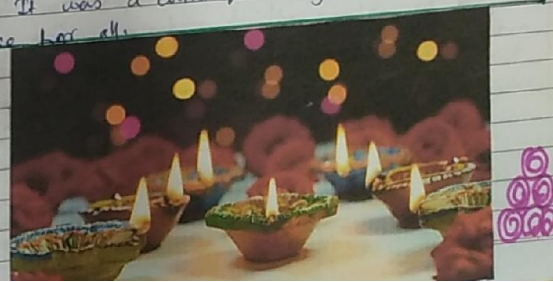

This week our Principal Sir came up with a very interesting, festive and colourful idea for activity - 'Diya Making' as a part of Diwali celebration. The theme was well planned and the topic was given to students well in advance so that they come up with creative ideas and collect the required material.

On the day of the activity our pupils of class 7 came up with many creative ideas and carefully brought the material to make diya's. They were all enthusiastic and eager to do the work which otherwise is done by their elders. That sense of responsibility of making their own Diya was carried very well by each and every child. The activity was scheduled virtually and time allotted was 1 hour. All the students were excited and kept all the material ready for the activity.

As soon as the activity started these cars were engaged

the best. In no time pupils started making Diya's with mud and clay. As soon as they made Diya's now it was time for Diya decoration. They painted Diya's with colours. Old CDs were used as plate under the Diya, wadded pompoms as flowers and waste papers were used to make different shapes and were stuck to Diya to give it a new look. Peacock Diya, Ganesh Diya, etc. to name a few. Colourful stones and beads were used to give finishing touches and all the decorated lovely and colourful Diya's made with a lot of love and oneness were ready. Children were pretty excited and happy with their efforts.

It was an amazing experience for us to watch our pupils put in all the efforts and do the given task with full interest and discipline. Each and every student showcased their talent and also helped each other with the material. They were more than happy to share the things with other children. Di festivals are all about joy, sharing and caring. The children were asked to submit their Diya's in the schools once the schools got re-open. It was a wonderful day and a learning experience for all.

Activity - Human Rights Day

Holy Faith English High School observed a special assembly to commemorate Human Rights Day. On this day in 1948, the United Nations General Assembly adopted the Universal Declaration of Human Rights Day.

The day is celebrated to improve the physical, social, cultural and spiritual well being and welfare of the vulnerable group of people globally. The students presented a role play highlighting the issue of lack of awareness among the illiterate and poor about their basic rights and how they are represented by the powerful for their selfish motives. The students made it loud and clear through their effective performance that to deny people their human rights is to challenge humanity.

The human rights belong equally to each of us and bind us together as a global community with the same ideals and values.

Some teachers in between the exam visited the classroom and gave information about exams and their fees and all. On the yellow sheet I asked them to sign in front of their seat numbers, they did the same and then after some time I signed on their answer sheets. By around 4:20pm some students even completed their papers before time and I collected them. As the time was passing I reminded them how much time they still have and by 5:05

I collected their answer sheets. Students left the classroom, I arranged the paper according to the seat numbers and went to the staffroom for the final submission and there I submitted papers to the ma'am they checked everything whatever I did and said thank you, I too said thank you, and left the room.

Before I headed to my home, I went to Principal Sir's office and said everything what I have done throughout the supervision, he asked how I felt, I said it was superb and was very exciting. He said good and I left from the college and moved to my home.

Christmas is celebrated to remember the birth of Jesus Christ, who Christians believe in the Son of God.

The name 'Christmas' comes from the Mass of Christ (or Jesus). A Mass service is where Christians remember that Jesus died for the us and then came back to life. The 'Christ-Mass' service was the only one that was allowed to take place after sunset (and before sunrise the next day), so people had it at Midnight! So we get the name Christ-Mass, shortened to Christmas.

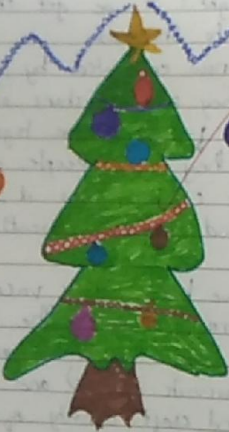

Christmas is now celebrated by people around the world, whether they are Christians or not. It's a time when family and friends come together and remember the good things they have. People, and especially children, also like Christmas as it's a time that when you give and receive presents!

This week we have winter vacations, so we celebrated Christmas virtually. The pupils of Holy Faith English High School were arrayed in red and white (Santa's favourite colours) and clicked images by performing art and craft activity of Christmas tree. Some pupils took part in painting, card-making activities. They also vocalised mellifluous carols and danced gloriously on the special occasion.

Some pupils dressed in beautiful Christmas attires reverberating with the melody of Christmas carols highlighting the spirit of Christmas. Webinars were conducted to give a deep insight to the festival. Several activities such as decorating

Christmas trees and stockings, making Christmas cards, snowman, wreaths, candle decoration and handcrafted bells were organized. Students showcased their creativity by writing letters to Santa, showing gratitude, compassion, empathy and love for others.

This is how Christmas is celebrated in ways put in by the staff with new innovative ways put in by the staff and the students to make this virtual celebration a great success.
