

“One best book is equal to a hundred good friends, but one good friend is equal to a library.” — A. P. J. Abdul Kalam

ABOUT OUR LIBRARY

Library is the heart of the institution, dedicated to empowering future teachers with knowledge, values, creativity, and professional excellence. It serves as a vibrant learning resource center designed especially to support teacher education, research, and innovative teaching practices. Our Library was established in the year 2007. The college library is well-equipped and houses a rich collection of more than 7827 books to support the academic and professional development of students and faculty.

The library possesses a rich and comprehensive collection of educational books, teaching-learning materials, reference books, journals, educational magazines, competitive examination guides, newspapers, and digital resources related to educational fields. The collection is carefully developed to meet the academic and professional needs of student teachers, faculty members, and researchers.

To cultivate reading habits and academic engagement, the library regularly organizes book exhibitions, reading inspiration programs, orientation sessions, educational activities, and special

events on important occasions. The library continuously strives to create a culture of knowledge-sharing and lifelong learning among future educators.

With the belief that “**A good teacher is a lifelong learner,**” Library acts as a gateway to wisdom, innovation, and professional growth, inspiring student teachers to become competent, compassionate, and responsible educators of tomorrow.
